PLANNING COMMISSION MEETING OF: OCTOBER 11, 2007

ANDY REED, Planning and Development Department, explained that in 2000, the applicants had constructed an apartment complex which was then converted to condominium units in 2005. The applicants have since changed their minds and are requesting conversion back to apartments. MR. REED noted that the site complies with the original condition of approval for the zone change and recommended approval.

SUSAN JOHNSTON, Stanley Consultants, appeared on behalf of the applicants and accepted all conditions.

TODD FARLOW, 240 North 19th Street, stated that in the area where he lives, a previous condominium conversion had resulted in a nightmare for his neighborhood.

COMMISSIONER TRUESDELL questioned whether the units could be rented out. DOUG RANKIN, Planning and Development Department, replied that the applicant does have the ability to rent one or all of the units. He stated that the applicant's plan is to revert back to one parcel and MS. JOHNSTON concurred.

CHAIRMAN DAVENPORT declared the Public Hearing closed.
